Information in Support of Public Broadcast Solicitation

Shareholders of MindMed are being asked at this time to execute proxies in favour of FCM's nominees for election to the Board at the AGM or any other matters to be considered at the AGM. FCM has issued the Final FCM Circular and FCM intends to make its solicitation primarily by mail, but proxies may also be solicited personally by telephone, email or other electronic means, as well as by newspaper or other media advertising or in person, by FCM, certain of its members, partners, directors, officers and employees, FCM's nominees or FCM's agents, including Okapi Partners LLC ("Okapi"), which has been retained by FCM as its strategic shareholder advisor and proxy solicitation agent. Pursuant to the agreement between Okapi and FCM, Okapi will receive a fee of up to \$75,000, plus customary fees for each call to or from shareholders of MindMed, and will be reimbursed for certain out-of-pocket expenses, with all such costs to be borne by FCM. In addition, FCM may solicit proxies in reliance upon the public broadcast exemption to the solicitation requirements under applicable Canadian corporate and securities laws, by way of public broadcast, including press release, speech or publication, and in any other manner permitted under applicable Canadian laws. Any members, partners, directors, officers or employees of FCM and their affiliates or other persons who solicit proxies on behalf of FCM will do so for no additional compensation. The anticipated cost of FCM's solicitation is estimated to be \$400,000 plus disbursements. The costs incurred in the preparation and mailing of the Materials and the Final FCM Circular, and the solicitation of proxies by FCM will be borne by FCM, provided that, subject to applicable law, FCM may seek reimbursement from MindMed of FCM's out-of-pocket expenses, including proxy solicitation expenses and legal fees, incurred in connection with a successful reconstitution of the Board.

A registered shareholder of MindMed who has given a proxy may revoke the proxy at any time prior to use by:

(a) depositing an instrument in writing revoking the proxy, if the shareholder is an individual signed by the shareholder or his or her legal personal representative or trustee in bankruptcy, and if the shareholder is a corporation signed by the corporation or by a representative appointed for the corporation, either: (i) at the registered office of MindMed at any time up to and including the last business day preceding the day of the AGM or any adjournment(s) thereof, at One World Trade Center, Suite 8500, New York, New York 10007; or (ii) with the chairman of the AGM on the day of the AGM or any adjournment(s) thereof before any vote in respect of which the proxy has been given has been taken; or

(b) revoking the proxy in any other manner permitted by law.

A non-registered shareholder may revoke a form of proxy or VIF given to an intermediary or Broadridge Investor Communications (or any such other service company) at any time by submitting another properly completed form of proxy or VIF, as the latest form of proxy or VIF will automatically revoke any previous one already submitted, or by written notice to the intermediary in accordance with the instructions given to the non-registered shareholder by its intermediary.

Neither FCM, nor any of its directors or officers, or any associates or affiliates of the foregoing, nor any of FCM's nominees for election to the Board at the AGM, or their respective associates or affiliates, has: (i) any material interest, direct or indirect, in any transaction since the beginning of MindMed's most recently completed financial year or in any proposed transaction that has materially affected or would materially affect MindMed or any of its subsidiaries; or (ii) any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter currently known to be acted on at the upcoming

meeting of MindMed shareholders, other than the election of directors; except that on August 31, 2020, Dr. Scott Freeman entered into a consulting agreement with MindMed, which, among other things, granted Dr. Scott Freeman 26,389 vested options with a strike price of CAD\$4.95 per share and 16,667 unvested options with a strike price of CAD\$4.95 per share.

The registered address of MindMed is located at One World Trade Center, Suite 8500, New York, New York, 10007. A copy of this communication may be obtained on MindMed's SEDAR profile at [sedar.com](https://www.sedar.com).
